JASA-BBM1250	950	790	681	1192	1192	65	550x550/650/800

Techdrive® Motor Technology

The specifically developed motor is designed to run quietly.

The motor windings are triple coated to ensure durability and longevity of the cooler operation.

Greater Airflow

Advanced engineering design puts the Bonaire Summer Breeze at the forefront of airflow delivery. The Summer Breeze unit draws air evenly over all four Filtercool® pads to deliver optimal airflow performance.

Warranty

The Jet-Air Summer Breeze comes with a 3 year parts and 25year cabinet corrosion Warranty.
